### 1. Aims

This policy aims to:

- Provide background information about the pupil premium grant so that all members of our school community understand its purpose and which pupils are eligible
- Set out how the school will make decisions on pupil premium spending
- Summarise the roles and responsibilities of those involved in managing the pupil premium in school

### 2. Legislation and guidance

This policy is based on the [pupil premium allocations and conditions of grant guidance 2022 to 2023](#), published by the Education and Skills Funding Agency. It is also based on guidance from the Department for Education (DfE) on [virtual school heads' responsibilities concerning the pupil premium](#), and the [service premium](#).

### 3. Purpose of the grant

The pupil premium grant is additional funding allocated to publicly funded schools to raise the attainment of disadvantaged pupils and support pupils with parents in the armed forces.

Our school will use the grant to support these groups, which comprise pupils with a range of different abilities, to narrow any achievement gaps between them and their peers.

We also recognise that not all pupils eligible for pupil premium funding will have lower attainment than their peers. In such cases, the grant will be used to help improve pupils' progress and attainment so that they can reach their full potential.

## 4. Use of the grant

Our school's use of pupil premium is used for activities that:

- Support the quality of teaching, such as staff professional development;
- Provide targeted academic support, such as tutoring; and
- Tackle non-academic barriers to academic success, such as attendance, behaviour and social and emotional support

Our use of the pupil premium and activities align with the DfE's 'menu of approaches'. We ensure that we:

- Consider the context of our school and the main challenges or barriers our disadvantaged and vulnerable pupils face.
- Use evidence, such as learning from what works in our school, to inform our decisions on pupil premium spending
- Address a wide range of needs, and take group and individual needs into account
- Engage with parents to take their views on their child's needs into account
- Integrate pupil premium interventions into the curriculum
- Make sure all staff promote the principles and ethos of the pupil premium strategy

Examples of how our school use the grant include, but are not limited to:

- Preferential staffing to reduce the pupil/teacher ratio thus reducing class sizes and increasing teacher/pupil interaction.
- Staffing costs specifically to support learning and progress e.g. Teaching Assistant (TA), Higher Level Teaching Assistant (HLTA), 1:1 English or maths tuition, and counselling services.
- Support with one off costs, such as uniform, equipment, necessary educational visits and other educational visits.
- Funding educational trips and visits
- Funding English classes for children who speak another language

We publish our [strategy statement](#) on our school's use of the pupil premium in each academic year on our school website.

## 5. Eligible pupils

The pupil premium is allocated to our school based on the number of eligible pupils in Years 5 to 8.

Eligible pupils fall into the categories explained below.

### 5.1 Ever 6 free school meals

Pupils recorded in the most recent October school census who are known to have been eligible for free school meals at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance).

This includes pupils first known to be eligible for free school meals in the most recent October census. It does not include pupils who received universal infant free school meals but would not have otherwise received free lunches.

## **5.2 Looked-after children**

Pupils who are in the care of, or provided with accommodation by, a local authority in England or Wales for at least 1 day. Allocations will be provisionally based on the children looked-after data return in March of the previous year, and then confirmed in December of the current year based on the children looked-after data return in March of the current year.

## **5.3 Post looked-after children**

Pupils recorded in the most recent October census who were looked after by an English or Welsh local authority immediately before being adopted, or who left local authority care on a special guardianship order or child arrangements order.

## **5.4 Ever 6 service children**

Pupils recorded in the most recent October census:

- With a parent serving in the regular armed forces
- Who have been registered as a 'service child' in the school census at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance), including those first recorded as such in the most recent October census
- In receipt of a child pension from the Ministry of Defence because one of their parents died while serving in the armed forces
